Since 2019

DRDO Technology Transfer

Session-3: Our Core Solutions

Large card section with background image

Each card should contain

- Product image
- Product description
- Product page button

Session-4: Why Choose EcoGenn

This should be a premium icon section.

Six sliding cards.

DRDO Technology

Advanced Bio Digester Technology.

1000+ Projects

Successful installations.

End-to-End Engineering

Design to commissioning.

Zero Energy Systems

Energy-efficient solutions.

Expert Team

Experienced engineers.

AMC Support

Long-term maintenance.

Session-5: Our Technology

Title

Advanced Wastewater Treatment Technologies

Interactive technology cards.

- ABD Bio Septic
- MBBR
- SBR
- SAFF
- MBR
- ASP
- FAB

Clicking opens details.

Session-6: Blog Preview:

Latest 3 blogs.

Example

- STP vs ETP
- Bio Septic Benefits
- How to Choose an STP

Session-7: Call to Action:

Large full-width section.

Ready to Build Your Wastewater Solution?

Let our engineers design the perfect treatment system for your project.
